PASTOR'S REFLECTION

"The apostles cried out, "... "Increase our faith." The apostles asked Jesus for an increase in faith. They felt inadequate in their following of Jesus. It is obvious that his disciples cannot just be satisfied with obeying the commandments. They need disposition which is alert to the will of God and the needs of others. Jesus assures us we can do it if we have faith.

Jesus says that true faith can make us do impossible things. He commanded His listeners to speak, to command, to utter a word of instruction. His example illustrates the faith He expects. He reminds us that words have power. Words do not only communicate but they have power to achieve what they communicate. There are many things which we consider impossible and have lost hope like for example that of a particular sinner will repent and start a new life, listen to good reason or consider the welfare of others. All we need is faith even as small as a mustard seed which can grow into a tree. It simply means we must give God a chance, no matter how little we are holding in our hand."

Father Efren A. Tomas, MS

RESPECT LIFE

Prayer & Action

"We are called to be signs of hope to all people, especially those whose goodness, value, and dignity are undermined. As members of the Body of Christ, we carry this hope with us as we continue Jesus' mission on earth... We have been entrusted with a message of hope for the woman who finds herself unexpectedly pregnant or for the man diagnosed with a terminal illness. At these challenging moments, we must bring God's presence, witnessing to His love, and inspiring a renewal of hope in those whose hearts are burdened."

CHRIST THE KING CHURCH-Hispanic Community Domingo 5 de Octubre del 2025. (SemanaXXVII del tempos Ordinario).

Hermanas y hermanos, el mensaje es sencillo: lo más pequeño puede llegar a ser lo más grande. Sin duda a Cristo le llamaban la atención y quería que nos atrajeran los contrastes: hay primeros que serán últimos; el que se ensalza será humillado; lo pequeño quizá será lo más grande; lo oculto quedará de manifiesto... En todos estos casos el Señor parece exhortarnos a no fiarnos de las apariencias, o quizá más aún: a desconfiar de lo que aparece y buscar el estilo y el plan de Dios en aquello que no aparece, en lo que no se impone por sí mismo ni se hace propaganda a sí mismo. Asumir la "lógica del grano de mostaza": es pensar que Dios puede decir sus mejores discursos por boca de los que juzgamos torpes, inútiles o poco listos; es amar lo sencillo, lo sobrio y lo discreto, y desconfiar de lo ampuloso, lo prepotente o lo deslumbrante; es cuidar la vida frágil: la del embrión, la del agonizante, la del emigrante; es adorar con las cosas elementales y con la gente que no cuenta; es creer con fe viva que en la Eucaristía está Él.

El tema de la fe, de su luz y de su fuerza acompaña también las otras lecturas de este domingo. En Habacuc encontramos ya aquella expresión: "el que es justo por la fe vivirá." Es interesante notar que este profeta sitúa la fe en el contexto de la prueba. Las palabras de esa primera lectura las podríamos encontrar también en labios de millones de seres humanos que ven sus esperanzas cerrarse y los caminos llenarse de abrojos: "¿Hasta cuándo, Señor, pediré auxilio sin que me escuches? ¿Te denunciaré a gritos la violencia que reina, sin que vengas a salvarme? ¿Por qué me dejas ver la injusticia y te quedas mirando la opresión?" Esos son los tiempos en que parece imposible creer, porque las evidencias nos empujan exactamente en la dirección de la incredulidad o la desesperación.

La respuesta que Habacuc creyó escuchar es una gran enseñanza. Un modo gráfico que describe bien las dos cosas: por qué siento que Dios no hace nada ante mi dolor y por qué puedo confiar en que sí hará algo. Puede ser cuando alguien dice que siempre siente la presencia de Dios. Muchos tenemos una experiencia diferente en muchas oportunidades. Habacuc a dicho: está lejos pero viene a prisa.

Feliz y bendecida semana.
